• Passepartouts and cornices

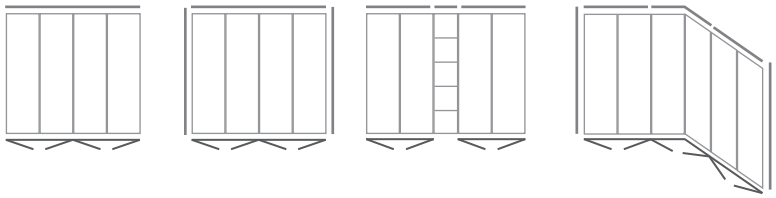
You can order optional cornices or passepartouts for your hinged door wardrobes.
The choice is yours:

- Only cornices
- Or - in combination with additional side panels - also passe-partouts.

Shelf units can be fitted with a depth offset. The cornice remains flush with the front.

Important notes:

- Corner units with cornices are only possible between hinged door wardrobes.
- Passepartouts cannot be fitted between individual wardrobe units or on corner wardrobes.



• Positioning examples and space requirements for corner units in combination with hinged door wardrobes

Thanks to the two corner wardrobe variants available (90° corner wardrobe and 45° corner wardrobe), Essensa hinged door wardrobes can also be easily combined across corners.
Please note that the space required and the overall dimensions of the wardrobes will vary depending on the selected wardrobe combination and arrangement (see example sketches below).
