The True Bedmakers

THE CASPIAN 13750

PERFORMANCE | SEASONAL TURN

BRITISH QUALITY
WORLD LEADERS

Drawing on the vast, enigmatic beauty of the Caspian Sea, the Caspian mattress blends natural comfort with quiet strength. Like the world's largest inland sea – rich in biodiversity, culture, and contrast – this mattress is crafted with responsibly sourced fibres and precision-engineered springs to deliver deep, balanced support. It's a sleep experience shaped by nature, heritage, and a vision for a more sustainable future.

Tensions available:

GENTLE | MEDIUM | FIRM
